

DRESS CODE

The dress code for St. Mary Catholic School students is intended to encourage a neat appearance consistent with our values, Christian modesty, and appropriate to a learning environment. Parents are expected to assume responsibility for making sure our students have dressed appropriately for school. Students are to be dressed for classroom work. Clothing should not distract from the learning process. Clothing should be neat, clean, and comfortable with no holes, rips, or tears. Clothing that displays pictures, language or symbols that are vulgar, violent, sexual, drug/alcohol/tobacco related or is in any way offensive or disruptive is not acceptable school attire. SAFE PARISH

Certification

All parents and other adult family members wanting to go on field trips or volunteer in any way at the school during the school day must be Safe Parish certified.

This is a short course (60 minutes) with questions that are answered along the way. It includes a background check as well.

Because it includes a background check, it can take up to two weeks for the certification to come back. Certification lasts five years. Please check with Mrs. Busald if you are unsure if your certification is still good.

Do not wait until your student's teacher announces a field trip to get certified. It is unlikely you will be certified in time.
